Such of the accounts as pertain to the Qr. Sir. I respectfully request that the Com'g General make an order for the payment of expenses of the Companies composing my regiment, incurred for provisions and transportation to this place, as exhibited in accounts examined and approved by me as Col of the Regiment. The order is asked upon the following state of facts.

At my solicitation a mustering officer Lieut Wilson, was sent to Tyler to muster in the Companies. At the same time Maj Mosby ordered Capt Murrah the Q.M. and Commissary of Col Clark's Regiment to furnish the Companies with transportation to this place and generally to necessary provision for the troops thus to be mustered in. The Companies were raised in at least ten different Counties, some of which were one hundred Miles from Tyler, and some of them nearer to this place than Tyler. Upon Consultation with Lieut Wilson it was determined that it would be greatly to the advantage of the service to muster in the Companies in the Counties where they were raised, which was accordingly done. Capt Murrah also concurred in this course. and to facilitate

the matter requested me in writing to cause the Captains of Companies to purchase provisions, and hire the transportation necessary and provide for their Companies, which was done. The order of Maj Mois has therefore not been literally complied with, and he was at once notified of the fact by me in a Communication to the Ad Jt Genl Capt Samuel Boyer Davis. The actual expense of the Companies is exhibited as follows.

Commissary Stores &c ——— $2990.10

Other Misc expenses for Transportation

& Some Camp equipage now in Companies. $4573.58.

Total expenses ——— $7563.58

Upon adopting this plan of getting the troops to the place of rendezvous I assured the department that it would be a great saving of expense as well as facilitate enlistment. The average distance of the Companies from the nearest point on the Rail Roads is as at least one hundred and sixty miles. The mileage of nine hundred and fifty men composing the ten Companies at ten cents per mile would have been $15.200, making a difference saved to the Government by the mode adopted of the sum of $7636.$\frac{42}{100}$.

I have endeavoured to have all the accounts made out as

3rd Mo. 6th

regularly as the nature of the case would permit, have examined and approved them, and should be glad that the matter be disposed of if consistent with the good of the service; by the appropriation of a fund sufficient to pay them

Sir. I have the honor to submit to the Com'dg Gen'l the following report of the Condition of my command including with the regt and battalion

Number of officers and enlisted men 1338.
" absent on detailed service and on furlough - 690
" Sick in Camp & Hospital & not put to hours — 240.
" fit for duty in Camp 408
1338.

After detailing men to take care of the sick 350 men and officers may be armed and ~~furnished~~ with guns that are serviceable, and knives. A few of them have haversacks and none of them knapsacks. not having been furnished with them.

Boarder flasks will be furnished
today by the ordinance officer department
for the number of men fit for duty who
are not provided for. The Shot pouches
for which requisition has been made
the ordenance officer informs me that
he does not know that he can supply.
Each Regimental Quartermaster has control
of one Ambulance and two small
waggons (with two mules for each). I
draw an ample supply of ammunition
for the number of men that can be put
in the field.

[redacted] and men had crossed
the Trinity before the freezes and after
them reached them and had scattered
and there are no newspapers to in the
East which can give general notice to
them. So that I expect but few of
them to return within a few days.
Many of them if not most of them, who
will not get the intelligence, and who have
been worn down with travel, will
report to Tyler by fifth day of next
month.

The recruits will also begin to be

be brought in to Tyler by the 5th of June. They will number for the regiment and battalion, about 1200 men; and they with the furloughed men who may report there about 1800 men.

I have not yet sent any one to Tyler to make arrangements for their care and provision, but have time yet to do so.

I herewith respectfully submit the reports made to me of sick and dangerous, in reference the selection of a site for temporary camp &c.

On the 15th inst I received an order to move my command to Ty Co, and on the 18th an order to "retain all the men you now have at the camps that are fit for duty." Under the first order the larger portion of the men are furloughed and under the last the balance fit for duty have been retained.

The above facts are submitted for such further orders from the Comd'g Genl as he may deem necessary, if any.

Sir.

I have the Honor to submit for the consideration of the commanding General, the following report of the condition of the troops under my command at this camp, composed of my Regiment and Col. Hubbard's Battalion of Texas Volunteer Infantry

The diseases of the camp has assumed an alarming character. Colds, coughs, chills, and fever, diarrhea and dysentery, have very generally prevailed in camp during the last two months by which the men have been debilitated, and greatly reduced in flesh and strength. Very few in the camp have escaped the effects of some one or more of these diseases. Until lately their constitutions withstood them. They are now rapidly sinking under them. For the last week we have been burying two, three and four, per day. Their constitution being thus undermined, the diseases are assuming a malignant type, as exhibited in the more frequent cases of Dysentery, typhoid fever, and pneumonia, which soon run their course; and if the patient should survive, he is rendered inefficient. In my Regiment we have already discharged thirty men from disability, and furloughed eight from the same cause, and lost fifteen by death one thousand and twenty six men are now sick as reported under medical treatment; and for the last two weeks more than one half of the Regiment have been unable to be sent out to drill.

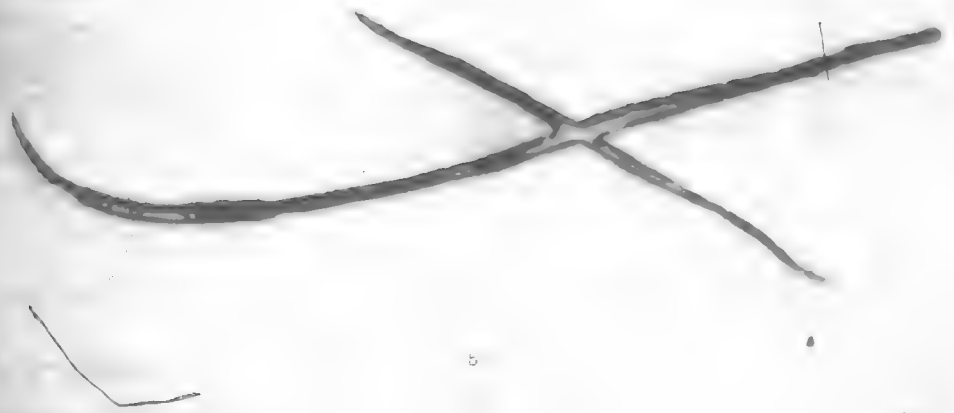

The condition of the Northern Battalion is gradually about the same. I believe the health of the men in their camps will continue to grow worse as long as they remain here; as that in one months time, our daily surplay must will be - attending the sick and burying the dead. - Some of the causes of this sickness might be removed, such as bad cooking, and imperfect police of the camps, but others cannot. The children are from the interior, a high, dry, healthy country, accustomed to pure water, and dry atmosphere, the very opposite of those which she found here. Unacclimated citizens cannot live here, as is well established, with the stagnant and creek water of this region of the State; and they never did have any health while they resided citizens. It is now too late to erect cisterns and procure cistern water for this season and this reason I have taken pains to get information from many old citizens whose opinions are entitled to weight. They all have told me that my men cannot live here, and the sooner they can get away the better. If the public necessity requires us to be kept in this region of the State I would prefer to be removed to some other camps either with or without tents. The quarters are damp, and cannot be ventilated sufficiently. They do not furnish shelter from rain, nor protection from the heat of the sun. All the citizens of this place with whom I have conversed, anticipate the appearance of yellow-fever in this part of the State at an early period this summer. Under all these circumstances should it be compatible with the interest of the public service, I respectfully ask on behalf of the troops under my command, that they be sent to Tyler, South camp, where they will be out of the marshes now being selected to fill up the companies, or to such other place in North

Barlow Road as may be selected by the commissioners. I mention Tyler, because that point is central in North-eastern Texas and the country around it abounds in timber and good water. It is also near extensive coal mines where coal can be procured.

As a place of landing & transhipment, I should prefer as now informed, a spring creek near Hockley on the Central Rail Road.

All of which is respectfully submitted.

I have the honor to be most respectfully,
Your obedient servant.

Rusk Cherokee County
Texas Jan 17th 1862.

Jefferson Boyer Davis.

Dear Sir.

Upon reaching home I found that Judge Copeland of the adjoining County, Cherokee, had been several months engaged in raising a regiment under authority from the Secy of War. Also Col Rusk & Hubbard had commenced raising a regiment under authority from Gen'l Hebert, but were delaying operations to get the time of service changed to twelve months. I knew also that Gov Clark would be at Tyler before long, endeavouring to recruit. All this is in the same region of country, the Central part of Eastern Texas. It was obvious that so many persons canvassing the country for volunteers, would produce

confusion, and really delay the formation of companies by dividing the neighbourhoods, some wanting to go in one regiment and some in another. Besides this State infantry regiments will have to come in competition with three Regiments of Cavalry now being raised in this section of the State, (Burnetts, Johnson's & Darnells) which is a great disadvantage as the people generally prefer Cavalry service. Under these circumstances Genl Hebert wanted troops knowing that Gen'l Hebert wanted troops upon the Coast immediately, Judge Copeland, Col Hubbard and I have concluded to join our efforts and raise one regiment at once under the authority sent to me for a regiment for twelve months, and we have agreed amongst ourselves about the division of the Command, which we trust will be satisfactory to Gen'l Hebert.

We have already a number of companies organized and nearly ready to start, and others raising, They are however scattered for hundreds of miles

over the country, and after the trouble and expense of going over the country rallying them we are in constant danger of loosing them by their falling into some of the Cavalry Companies. Besides this if we stack with men without their being mustered in, the Officers have no authority to control the men and they will drop off as they get tired waking and are liable to get in all kinds of disorder on the road.

Therefore we respectfully ask that authority be given to each one of us to muster in the men when the Companies and sections are organized, and to hire transportation and purchase provisions for the men on the route. We can and will give bond if required, guaranteeing that not a dollar shall be wasted, and that this mode shall cost the government less than by allowing the men ten cents a mile for their transportation. We want this authority also to embrace the power to keep the men after mustered in at such stations as we may select, in order to com-

plete the companies or sections, them
to collect the companies at convenient
stations, and provide for them until
several companies can be sent together
to Houston. We know that troops can
be raised more readily in this way than
in any other. And if Gen Hebert should
have any hesitation in adopting it, we respect-
fully invite a trustworthy officer to be
sent here who shall superintend and
direct the whole matter. We will render
aid and assistance.

As I stated in a previous letter Genl Sherman
Page is here on furlough, and has consented
to act for this service. He is a son
of Col Nicholls regiment, first Texas Cavalry
and is a well informed gentleman.

By acting in the manner proposed
Gen Bates sent us one man has lately
who carried him down two full com-
panies from Smith County. And in this way
Col Johnson is rapidly collecting a
regiment of Cavalry in Smith County.

Judge Copeland will visit Headquarters
and present this in person and be ready to make
any explanation necessary, and in the meantime
Col Hubbard myself will be canvassing the country
raising companies

Respectfully

We approve what is here said. H. Sherman Page O.M. Roberts.
A. P. Hubbard,

Beaumont is about 100 miles nearer this place than Navasota. and by sending them down there great expense, time and marching is saved.

The day after to morrow I will muster in one and I think two companies in Shelby.— The prospect now is that the Regiment will be complete by the end of this month. Yours truly

Dear Sir.

On the 17th inst I mustered into the service Capt Carraway's Company and started them for Beaumont there to take the rail road - being only 80 from that point and near two hundred from Navasota I sent to you about it from Milam Sabine County the day after. On the 19th I mustered into the service Capt Greaves' Company of Shelby County and it will be on its way shortly - a large good company - On the 24th I mustered in a section of 35 men - Jordan Lieut at Carthage Panola Co and gave them a week to fill up, which they could do easily. On the 26th I mustered in Capt Jones' Company of Rusk County. In my absence Col Hubbard sent a Mr Johnson of Capt Long's Company & Titus County, and he mustered in Capt Rollins and Capt Christian's Companies, both of Titus County. Also Chas E Roberts of Hopkins County has mustered in a Company in Hopkins Co. Thus have all started or are preparing to start [illegible]

Besides these a company is raised for us in Anderson County and is now or will be in a day or two be mustered in and started. Capt Savage of Polk County reported to me a company and was directed to go directly to Houston and there be mustered in by Capt Long.
We have several other companies and certain companies now raising, about which I will inform you further in a week from this time. I shall start down to Houston as soon as I can make my private arrangements so as to leave home, which will be in a week from this time

By a mistake or misunderstanding in my absence Capt Bolins Company was mustered in when some of the men had no guns. I saw him today on his way down and he told me that as soon as he could get his company down to Houston that he would go or send back and get arms for those of his company who had none. He is a man of influence & energy and will accomplish it. ~~I know~~ I know too that he has raised his company for the Coast under great disadvantages and with much effort. I hope therefore Gen'l Hebert will

kind enough to overlook this mistake, and indulge Capt Robin in this matter, until he can have time to explain the matter & getting guns for all his men who are destitute of them. I had written to him that could not accept those who had no guns, but he had started and was on his way when the Governor met him and knew the circumstances matters in the new comers arms or none not. The Company had papers to go to Tyler two or three days before my return here and tho' upon I could not stop them until we could send up for arms.

I have been traveling over the County and getting men to work ever since I received the authority to raise a regiment. Many of the companies that I started would fail through upon the arrival of a recruiting officer for Cavalry. It has taken extraordinary exertions to raise infantry for the Coast, but I think our work will produce very shortly 30 companies for Genl Cabot.

Dear Sir

Upon the arrival of Genl Wilson at Ogden, the County of the Conference raised and various reports circulated to impede and keep scattered over a large extent of country it was thought best not to attempt to collect them at one place and to move in Brigade. Col. Hubbard and myself for the purpose of going to distant counties and recruiting in the companies. A. G. Copeland having the meantime received authority from Richmond to muster in Companies. Genl Pettus, who consented to make arrangements for the transportation and provision of the Companies, was willing to attempt it, and finding it impracticable on account to travel on so great an extent of Country, he has requested me to direct the Captains of Companies to their transportation and procure provisions on the way, and to see

that it is done with strict regard to economy &c.

Next week One Company from Nacogdoches and one from Cherokee County, was mustered into service at Rusk in Cherokee County and I have today written to Genl Copeland, to forward them to Houston, Also last week one Company in Panola County, was mustered into Service by Lt Hubbard, and will start in a few days. Today I mustered into service one Company in Smith County at Tyler, which will start to Houston tomorrow.

Nacogdoches Company Capt Hart
Cherokee Company Capt Englebow
Panola Company Capt Harrison
Smith County Company Capt Long

Capt Long, if he will accept it, I design to recommend for Quarter master of the Regiment, he is reliable in every way. His Company will be the first to arrive at Houston, and he has agreed, if necessary, to perform duty at least to act as assistant Quarter master and Commissary and take general care of the men &c for the time he can be induced to do. I know he will do all whatever is intended to him in that way and more than I can do myself.

Tomorrow I start down to Sabine Shelby Panola and Rusk Counties to muster in and forward companies

and will report to you as I hear of it.
Also Mr. E. B. Haviland will in two
days start to Washington Dist. Columbia
& Baltimore for the raising and mustering in
of companies started in those Counties.
It will be necessary for Haviland & myself
and myself to remain behind until we
have started, or at least have made certain
arrangements for starting the full number
of companies, which will take us until
the first, and perhaps the 10th of next
month. Dr. Bowen, who I design to recom-
mend as surgeon of the 89th, will remain
with us operating in the Hospital. Dr. Lindsley
who is expected to be recommended as the
Assistant Surgeon, will go down with the
companies to Washington & then report to
you for duty. I am willing to volunteer for
service myself in that branch, if it is
necessary.

I am willing to volunteer for infantry,
because are much fewer steps to promotion,
and many more chances of distinction
than in the Cavalry. Cavalry companies are
forming and Cavalry regiments
are being raised all over the Country.
For these reasons it was taken with reluctance
exertions to make certain arrangements
for speedily raising the Regiment. Still I
hope we shall be able to complete one that will
be creditable to the service. Two months ago
I could have raised it in thirty days in such

the extent of country. I will furnish the Captains
of companies with forms of accounts required,
transmitting the same, in duplicate, and instruct
them how to proceed in
drawing supplies, giving returns &c. and
endeavor to obviate [illegible] complaints in
the good of the service, and doubt not that the
complaints of the [illegible] will be removed

Sir

I established this Camp on Thursday Night of last week on the 26th day of June last past at which time the four companies of cavalry and recruits had all joined the regiment except a few who had been taken sick and could not join. On the 23rd of June last the regiment was reorganized by an election of officers. Brig Gen Henry E McCulloch had assumed Command of the north-eastern part of the State, and ordered Commanders of regiments home to report to him at his Head Qrs at Tyler

Returns of election were made to him and Certificates of election were issued by him to the officers of the regiment that were elected. Under his orders I have discharged those under 18 and over thirty five years of age who applied for it, and sent them home in the same waggons that brought the recruits from Camp. The expenses of their transportation, and

dubordination during the last Campaign of their term of Service. The Muster rolls of the Regiment for the 30th of June 1862, will exhibit the regiment Completely reorganized with the exception of those who will have to [illegible] by exceptions, and leaving me with a regiment of Officers & Men on that day 947. & each is every day increasing by Furloughs joining the regiment who have not been on receipts as Conscripts. I have collected from the discharged and deserted men 126 guns and have obtained of them from Govt Jackson 100 more, by which I will be able to arm most if not all the men of the regiment with Enfield rifles.

By an expressman just sent to Richmond by Gen'l McCulloch we have sent the Muster Rolls of the recruits and also of the reorganized Regiment, also the Commissary & Clothing vouchers and other papers pertaining to the Regiment.

Having obtained from Maj Rhea 10,000 yds of Osnaburgs we are having our tents manufactured, and wagon sheets made and will be completed in ten days. My Quartermaster is aiding the Post Quartermaster at Lytle in getting transportation wagons &c for transportation and reports there is forage not thereon in Texas

part of the state to pay for the transportation and supplies of the troops sent; and therefore I have his estimate prepared and sent to Capt Engledow to go with them to Hartford and to use his influence to get funds for the 2d Regt and the remainder of the Brigade. Major Gen. McCulloch has been actively engaged in endeavouring to collect means and forward the regiments but unfortunately there is no difficulty in getting transportation and supplies but with the funds.

Should Capt Engledow be able to get funds for the regiments to effect which will be exerted at once, arrangements will be made in anticipation of getting the funds to meet our demands.

As the War

the course of Gen'l Hebert in causing
the twelve months infantry troops,
which I have been instrumental
in bringing to him for our protection
Texas I beg leave to state a fact
which has escaped my attention.

R B Hubbard and A. J. Hopkins
each had authority from the Secretary
of War to raise and muster in a
regiment of 12 months infantry troops.
R. B. Hubbard & My self each had
authority from Gen'l Hebert.

By our joint efforts we have raised
not more than the two regiments
authorized at Richmond. The fact that
I induced them to be brought to Gen'l Hebert
instead of remaining in the action
without orders to move, cannot be
regarded, I should think, as [illegible]

to the Services. I saw the authority sent to both R. B. Hubbard & A. J. Copy of Col O M Roberts' Report to Brig. Genl Thomas Green of the Conduct of the Infantry in the Battle of Bayou Bourbeux.

Camp near Opelousas La.
Nov. the 6th 1863

E. K. Wells A. A. Genl

Lt

Having had the honor of commanding the Infantry in the Battle on Bayou Bourbeux, a few miles South of Opelousas on the 3rd Inst. I Respectfully present the following Report

The infantry consisted of three Regiments. The 18th Texas Infantry Commanded by Lt Col J. B. Harrison numbering officers & men 275. - The 16th Texas Infantry commanded by Col W. H. King numbering 330, & the 11th Texas Infantry Commanded by Lt Col Jno. H. Jones numbering 355; amounting in all to 960, officers & men.

Attached to my command also was a Squad of Cavalry under command of Capt H. S. Fisher of the 7th Texas Cavalry to act as standing Scouts in our approach to the enemys Camps.

These Regiments were joined together under my Command at Opelousas one hour before daylight on the morning of the 3rd after a two days rest & fatiguing march down the Bayou Bourbeux.

To act as my aide the Brigadier Genl Commanding Thos. Green assigned to duty with me Capt J. E. Hart of his own staff. I also called to my aide Sergeant Major Allen Kerby of the 18th & Sergeant Major Samuel H. Copeland & private F. L. Johnson of the 11th, they being mounted.

I organized a Battalion of Skirmishers composed of 60 (60) of the 11th & 60 (60) of the 18th No company of the 18th was armed with Rifles & therefore none was taken from that Regiment for the Skirmishers

I assigned to the command of this Battalion Maj. A. J. Calvert of the 11th...

I notified the Commanders of Regiments in person that we would certainly have a fight. Placed the 13th on the right in line because it was armed with Enfield Rifles. The 11th on the left & the 18th in the Center. & having summoned E. Jones Senior Surgeon of my command directed him to make his arrangements for an action.
These preparations being hastily made two miles South of Opelousas we took up the line of march towards the enemy; encamped at the South end of the belt of woods on the west side of Bayou Bourbeaux on the old Grand Coteau Roads. This being woods on the left of the Roads for one & a half miles back to the Lavergne Farm with fields or Prairie on the right. At the South end of that farm we found the Enemy's pickets shooting up the lane in which the road runs, at our own pickets. Having at this Farm been informed by the Brigadier Genl Commanding that my command would constitute his right & to force the pickets from the end of the Lane & form in the woods beyond the farm & steadily advance up on the enemy with my right on the road.
I sent out the mounted flankers to the right & left. & directed the Major Commanding to throw out a line of Skirmishers for a hundred yards long on each side of the lane & preserve the ballance of the line as my line was formed; & commenced the advance by the right flank. The lane being over ½ mile long & balls of the enemys pickets whistling in the road before us & passing by us almost continually. & not knowing but that they might be prepared to rake the lane with cannon, I directed the line of march to the left of the fence on the inside of the farm, where the Comstocks & woods served considerably to conceal from view our numbers.
By the time our Skirmishers had advanced three hundred yards through the fields they commenced a brisk fire on each side of the road which was returned by those of the enemy.
The 18th Texas Regiment was brought into line to support them.

As the firing increased the 18th was brought into line & also part of the 11th before reaching the woods. Dismounting through the Gate in a 18 ois de Arc hedge. The line was promptly dressed without a halt on the inside of the field, when the enemy from a large body apparently opened an increase fire directed mainly on my right, who being readily replaced a steady advance in line was made through the woods. The skirmishers being in vigorous action all the time, for one mile, when we met the advance line of the enemy. & my Lieutenant having assembled our skirmishers to the centre [illegible] in a hollow both sides commanded a general fire, which having lasted some time a charge was ordered, & very soon the enemy gave way. The firing having ceased a halt was ordered in the hollow which we were crossing & the men allowed to get water & rest. The marching in line had been very difficult on account of the woods ditches, & trees in the fields. & the deep gullies, ravines, brush, branches & curves of the Bay on our left in the woods

The 11th Texas Regiment encountered these curves in the Bay more, all through some of the men crossed. & recrossed the Bay not sinking in mud & water to their waists, it had been impracticable up to this time to keep the left of that Regiment in line all the time, notwithstanding they exerted themselves to the utmost limit of their remaining strength to do so. They followed however generally in good order only a march by the flank at the rear of the line was to be ready to enter the line when the space allowed it.

Upon halting my Gateway immediately informed me that the skirmishers were utterly wearied & I directed him to send them to their commands & call on Lt Col Hallisom for another company to be employed mainly to indicate the positions of the enemy in the advance we were about to make. Co (B) 19th Miss. furnished after a few minutes rest the line promptly closed up & Reformed & the advance

forwards ordered. The whole line advanced firing up the ridge when the firing of the Skirmishers give notice of the enemy line & then the firing commenced along the whole line on both sides Our men advancing their line by degrees under a constant fire of Cannon & small arms. While this was going on our line had advanced beyond the wood nearly parallel with it running through the Woods & crossing the bayou at a bridge.

Maj Rodoney who had dismissed his Skirmishers to their places in line informed me that a body of the enemys Cavalry were posted up the wood beyond the Ridge & on rising it I directed him to take a part of the Light Co. of the 11th & form them under shelter of the timber along the slope of the ridge parallel with the Bayou, so as to prevent their advance. Lieut Col of the 11th had been directed to fall in on the left when relieved as Skirmishers in anticipation of some thing of this kind. That being the only company of that Regiment armed with enfield Rifles

Very soon Capt Hall came from that quarter & told me that there was great necessity for immediate reinforcement to guard against the Cavalry. Capt Waterhouse company of Lancs Cavalry reached there about that time. That however was not sufficient to resist the body of the enemys Cavalry. The firing of the enemy extended along our whole line, & therefore seeing no part of it from which any Reinforcement could be drawn I ordered a charge. Our whole line responded at once & Rushed towards the enemy & continued it through the enemys Camp. they leaving fled before us. At which time our men were halted faced to the rear & marched back to attack the enemys Cavalry who had forced their way to our rear. They were immediately repulsed & scattered. & some few of our own men rescued whom they had taken prisoners just at this time the Brigadier Genl coming on the ground

He occupied directed the line to be formed & moved down in the direction of the Wagon which being done it was advanced to the edge of the timber two hundred yards east of the Wagon to support our artillery that had been carried there & was playing upon the enemy. Having remained there under fire of Canon sometime. My command was ordered first to retire down west of the Wagon. & shortly afterwards to withdraw in good order to wards our encampment in Camp Pool One mile South of Cafalomas.

On arriving at the lane where the enemys pickets were posted as we went out, the 15th Miss Regt was detached by the Brigadier general and put in line to cover the withdrawal of our forces & then remain under his immediate direction untill the object was attained

The three Regiments, taking into consideration their several positions during the whole action, which must have lasted three hours, were about equally exposed to the fire of the enemy & behaved equally well.

The commanding officers of the Regiments bore themselves gallantly in the fight. were prompt to carry out the movements ordered and whether on foot or on horseback either led or closely sustained the charges of their commands. The other field officers were constantly at their posts doing their duty. In justice to them I must state that the reason why I in my preparations hastily made, selected Maj Caraway to command the Skirmishers was because I knew that he was well acquainted with the duties of a dangerous but honorable position having previously been in command of a Battalion of Skirmishers. I feel confident that all who witnessed his valiant conduct will regard my confidence in him as fully vindicated. The Adjutants of the Regiments were very active in giving assistance to their Commanders.

the officers & soldiers of the line awaited a continual storm of canon & rifle shots, that made every tree of the forest vocal announcing their danger. fought with a spirit & unabated perseverance indicating a will to die or conquer the foe.

Those who aided me in carrying orders were prompt, fearless & faithful. Sergeants Kirby & Compland both had their horses wounded. under which they fell left his on the field.

As an act of justice to Capt J. Hart. I beg leave through you in behalf of the whole of my command to tender him our sincere thanks for his valuable assistance. His chivalrous conduct was the admiration of all.

The casualties in my Brigade were Killed 31. Wounded 82. & missing 38.

While Texas will mourn the loss of her brave sons she will treasure their memory as the glorious martyrs of our commonwealth's independence.

I have the honor to be most respectfully your obedient servant.

Hon L. T. Wigfall.

Dear Sir.

You will have
doubtless already learned that the
Legislature of Texas have elected you
to the Confederate States Senate.
My name had been spoken of in
that connection. On getting here
I saw a letter from Maj. Marshall
that the position would be accept-
able to you. I at once determined
that I would not run for the office,
nor let my name be used in any
way to supplant you, which I did
in the interest of the country.
Should anything have occurred that
determines you to declining accept-
ing it I should be pleased to have

from you at your earliest convenience. I write thus because it has been supposed by some that your appointment as Brig. Gen. you would induce you to relinquish the Senatorship. You know many warm friends that I have would like to be honored to exercise a second choice for Senator during the present Session should you decline. And, on that ground I hope you will excuse the liberty I have taken of addressing you directly upon the subject.

This however is not the main object of this letter. I have had a full conference with the Gen. in St. Clair and have submitted to him in writing a proposition in reference to the organization and reducing to system the Military force of Eastern Texas and I wish respectfully to invite your attention to it and solicit it meet your approbation - I solicit your aid in carrying it out.

It is perhaps unnecessary

for me to say that I feel
how appropriate the recollection
of the distinguished ability
displayed by you in every
exigency in which you have been called
during the late eventful moment
commanded, and in which they have
been crowned with success. I shall
be grateful to any task imposed
upon you in the service of the
Country. I know however, though
it may not be generally thought of,
that your greatest service to the
South has been the work of years,
in continually and persistently, under
adverse circumstances, rebuking
the public mind the State-rights
doctrines, which have prevailed in
the minds of men for this cause
when it came.

Having been one of the last
to strike for the rights of the South
in our late conflict, I feel it to

be my duty to render what service
I can either in the field or in the Council
or in whatever sphere I may be thrown,
to secure our independence, and shape
the future destiny of our government,
strictly in accordance with the principles, with which we have set out.
Indeed I should have been in active service
before this time, but that I thought the
officers of the State government should
not be unnecessarily absent from their positions.
I cannot remain inactive much longer,
on that account. I believe in the stock

I had a direct and representative share

Austin Texas April 9th 1862

Hon. Jno. H. Reagan
Sec. of State
Richmond Va.

Dear Sir

I have the honor to transmit herewith a petition addressed to the President of the Confederate States, signed by a majority of the Texas Members of the Provisional Congress, and by a majority of the Texas Members of the Confederate Congress, recommending the appointment of Col. C. M. Roberts of the 1st Texas Regiment, to the rank of Brigadier General in the Army of the Confederate States.

I am, Dear Sir, very respectfully your obt. servt.

Edward Clark

P.S. I should be pleased to receive the commission of Col. Roberts, at the earliest practicable moment.

Yours &c.

E. Clark

Camp Moore
(New) Houston Texas
March 16th 1862

Gen M. D. Graham.

Dear Sir

In about two months I have raised (with the help of others that I have set to work) about two regiments of infantry for twelve months service. The companies are coming in from Eastern Texas nearly every day. The first regiment will be ready for organization this week and the second will be here in a few weeks, having all been mustered in by Companies in the up-country before starting to this place.

I want out and procured these men under adverse circumstances. There being at the same time four or five Cavalry regiments raised & raising in the same Country. It has required the exertion of great energy and all my personal influence. I could not have raised troops for the war, — because of these Cavalry regiments being raised for twelve months service.

Before getting all my men here I learn that the policy of the government has changed and that it is contemplated to disband all the twelve months troops and receive them only for the war. That if carried out would leave our state almost without troops, and would produce a dissatisfaction unheard of in this Country. Our men have in

good faith made their arrangements to come to Camp for one year and serve the Country in its defence whenever sent to. Many of them are married men of good property, most of them are of the best families in the County. To disband them just as they have entered on this service simply because they did not volunteer for three years, would be trifling with them. If they are wanted at the end of twelve months most of them will re-enlist. Why did they volunteer for 12 months? Simply because the Secretary of War has continually been issuing authority to gentlemen in Eastern Texas to raise Cavalry regiments for twelve months service, and while he was doing that Gen. Hebert could not raise men for the war, or for three years; and indeed it made it extremely difficult to raise infantry at all. All Texans want to ride. Gen. Hebert tried to raise men for the war — tried it long and failed. I and others told him could not do it, while the Sec'y of War was issuing orders for 12 months Cavalry. As he was bound to have troops he consented to take them for twelve months and issued his call for thirty Companies. I have been instrumental in raising him about twenty of those Companies, and they are here, or coming or preparing to come here. Now are they to be disbanded by an order from the Sec'y of War before they are enlisted in Camps, I protest against it. It would be bad faith to them, do it who will.

present is from fear of the Consiquence of being disbanded or enlisting for three years, will be trifling with them unjustly. If we do so they will go home, if that alternative is presented at this time. I have intended them to turn out into a service that is not the most profitable and I shall feel a humiliation I never expected [illegible] at the hands of those in authority if now after they are taken from their homes under one Contract they are told they must make another or after they desert their Country to the foe.

I make no objection to the change of policy of raising troops for the war instead of for 12 months. I could have raised them for the war if the Sec'y of War had not Continually given authority to Gentlemen to raise Cavalry regiments for 12 months. Those men will enlist at the proper time as others have, or at least most of them will.

I have set out to make myself a soldier, as this war may last some time yet. I want and ask you to request for me the privilege of Commanding the two Regiments that I have raised. It is the wish of the Companies that I should do it. I will Convert it into a permanent Brigade and will increase it with other regiments for the war if I am permitted. I had not thought of asking for this until I found that the men wished to be under my Command.

O. M. Roberts
Col. 8th Regt. Texas
Infantry

I gave him a recommendation of some business that I wanted attended to at Richmond and referred him to you on the subject. I wish you, with the aid, to get a transfer for R. B. Hayden and Archy Nichols of the Natchez Cavalry Regt (formerly Col Green's) to Company of 1st U.S. Infantry Regt commanded by me. [illegible] east of the River and have been in service in that regiment two years last June. They are my nephews and want you much to do what you can for them. I don't want an officership for them if you can get their discharges, but I hardly expect that. I will be much obliged to you to do your utmost in this matter.

I should like very much to see you and converse with you about our matters past and future.

I have labored very hard since I have been in the service, and have been so far blessed with remarkable health. I have taken as little furlough and stayed in camp with my men. I have studied their interests and precautions, in sickness and in health. I have taken care of them, and tryed to be a father to them, as well as Commander. You may well believe they will fight when I tell them, for change the Colonel's mantle, as they did on the 3rd inst at Donelson. The men are in fine discipline and health. They are not conscripts, I treat them as gentlemen. There is no incompatibility between good discipline and kind treatment to soldiers. I have found it so in my regiment and I trust the example has had a good influence on the men wherever I have been. Mississippi spirit is not broken by the [illegible] tyranny of officers fight better now than ever and are more orderly in camp. They continue to be patriot citizens though soldiers.

I trust I have been able to do some good in the cause in which we are engaged. My work has been hard & constant ever since, and not of the kind. I was hopeful when I joined the army, that my knowledge of military affairs would make me serviceable to them in authority, that it could be used for the benefit of the Cause and Country. I have sadly found myself mistaken, for Military men as a general rule are not sufficient in their knowledge, that is do not know intuitively as it were, they expend much learning. And I cannot expect in the first instance, until I have been in actual service to have given the Country the benefit of my own judgment about many matters in the army that need amending. Any one who enters the army without having been at West Point, or at least in the Regular army, may expect to be placed at disadvantage by comparison. A military education, as many are not my self calculated to overcome. I must have been truly great, not to have needed Head-work, to meet it in all the departments of the army, that have come under my observation. We see that we are deficient in the Task - but [illegible] Still we doubtless do nothing in the regular short way as they think they should for the benefit of the Service. I fear if I am [illegible] I shall never be quite free from grumbling, which I hope I shall never be guilty of.

Should you happen near us on your way to Richmond I would be [illegible] would come to see us.

Yours ever

I would respectfully represent that I am Col of the 11th Texas Regt Infty in Randall's Brigade Walker's Division, that I am nearly fifty years of age, having been accustomed to sedentary habits during most of my life, as lawyer and judge of the district & Supreme Court of Texas. I resigned my office upon the Supreme Bench to enter more and more in the army, which I engaged in the first part of 1862. Up to the first of this year, I had not lost ten days service on account of sickness, when suddenly my health gave way and I have since been unfit for duty in the field, and do not believe I shall be again permanently. While in good health was laboriously engaged in my various duties, which were sometimes very hard, especially in last fall's campaign in Southern Louisiana, when I had the honor of commanding the Brigade of infantry that mainly won the victory at the battle of Bayou Bourbeau, below Opelousas on the 3rd of Nov last. I point to my regiment with pride for its drill discipline and good conduct, particularly, at Bourbeau Mansfield and Pleasant Hill. I do not want to leave it and by any want of physical ability to command it do I leave home. It has good and vig-

cross young officers, adequate to the task. I therefore ask, if I still can be made useful to the country, to be placed on detached service of some sort that will involve less physical labor and less exposure than that which must be undertaken in the Camp.

I respectfully refer the Court Ful to my superior officers, or to any officers who have ever been associated with me, for my diligence, punctuality, and energy in any business required of me.

I have applied for an extension of my leave of absence and if it should be granted I can be addressed at Tyler Smith Co. Texas, upon the subject.

In closing this Communication however without saying that I make this request only on the supposition that such services are needed and that I might still be useful.

I have the honor to be most respectfully your obt Svt

I Certify, That I have I have carefully exam-
ined Mr. Scott of Capt J.L.H. Stilwell's Company, and
find him incapable of performing the duties of a soldier, he
cause of Chronic Rheumatism and broken constitution
He has not been fit for service at all, since he took the
White River tour, last October, which killed so many
of our men. His general constitutional strength is
not sufficient to endure the duties of a soldier.—
Occasionally his Rheumatism impedes locomotion to
such extent, that that he cannot walk without
great difficulty.

I have had him at the Hospital a great por-
tion of the time, since last November.— He has
received no material benefit from treatment.
I therefore recommend that he be discharged

Camp near Lynchburg Aug. 13th 1864
Aug. 4th, 1864.

A. A. Genl

Sir,

Through you, the undersigned, Capt. of Company "B" 11th Texas Infantry, hereby respectfully tenders to the proper officer, his resignation of his position as Capt. of said Company, for the following reasons, to-wit:

1st. He states that about 20th August last, while in Command of said Company, at Camp Clough, near Jyler, Texas, he was attacked violently with Diarrhea, which was soon succeeded & accompanied by Typhoid fever, & that during said sickness (which kept him confined to his bed for about twelve weeks) "Fistula in ano" was developed on him, which renders it exceedingly difficult laborious & painful for him to walk about. He further states that his bowels are now, and have been, ever since his first attack in August last, in a very deranged and disordered condition - and that when unchecked or unrestrained by medicine, they act five or six times per day & some days, as often as ten times, and each is succeeded by the passage of bloody mucus, accompanied by severe & painful straining in the lower part of the bowels. He further states, that owing to the "Fistula in ano" or to some other cause produced perhaps by the Fistula, he has, to a very great extent, lost the voluntary Control of the bowels. The condition in which his bowels are, & have been, for the last five or six months, induces him to believe that his Diarrhoea has become Chronic, & all remedies, thus far tried, serve as but temporary checks.

In view of the facts above set forth,

Smith. Thomas. B

Co. D, 11 Texas Infantry.
